

# Processing Partners Payout Manager

**Paying content providers, staff or affiliates has never been easier!!!**

Processing Partner's newly-developed Payout Manager allows clients to execute SEPA Bank Transfers across all European Countries (EEA) and accelerate payouts in North America with ACH transfers.

Our affordable, secure, and user-friendly Admin Interface sets the industry standard by offering a CSV batch upload or API Connect for multiple payouts with just one click.

Simplify accounting with our real-time dashboard! Clients can access detailed reports, review past and upcoming transactions, and manage returns and exposure limits with real-time analytics.

All payment information is strongly secured through our privacy and data-protected services, which keeps Processing Partners ranked as your most trusted solution.
